## This Big Aluminum Cereal Cooker

We make this One-Week Offer to Housewives here who have not had this Cooker. The cost of Aluminum has doubled. Cooker prices have enormously advanced. But, in fairness to those who missed it last year, we repeat this Dollar Offer

### Cookers Supplied To a Million Homes

We have supplied Quaker Cookers to a million homes at very little prices. But the cost has advanced until our offer is almost impossible.

But grocers tell us that many housewives missed our former offer. They are using Quaker Oats and Pettijohn's, and they want this Aluminum Cooker. In fairness, they should have it.

So we renew this offer for next week only. It applies only to housewives whom we have not supplied already. It applies only to users of Quaker Oats or Pettijohn's, or both. It means twice as much as this Dollar Offer meant two years ago. Get this Cooker next week if you are entitled to it. You owe that to yourself.

Double Cooker  
Pure Aluminum

Extra Large and Heavy  
Cereal Capacity 2 1/2 Qts.

A Lifetime Utensil

### To Rightly Cook Two Famous Dishes

We want every user of Quaker Oats and Pettijohn's to cook these cereals rightly. Right cooking makes them doubly delightful. It keeps the flavor intact. It makes them easy to digest.

This Aluminum Cooker has been made to order to meet exact requirements. It is extra large, so little or much can be cooked in it. It is extra heavy, made to last a lifetime.

This Cooker will next week cost you only \$1, if you send us the trademarks we ask for. This is a costly offer. And we simply want to know, before sending the Cooker, that you are a Quaker Oats user.

## This Offer One Week Only

Send us two trademarks (picture of Quaker) cut from packages of Quaker Oats. Also one trademark (picture of bear) cut from the front of one package of Pettijohn's. Or, if you prefer, send five trademarks from Quaker Oats alone. Send us \$1 with these trademarks and we will mail the Cooker by parcel post. Trademarks must be mailed next week. This offer applies to this vicinity only. Address

The Quaker Oats Company, 1708 Railway Exchange, Chicago

### Quaker Oats Which Saves You 75%

Measured by food value, Quaker Oats costs one-fourth as much as the average mixed diet. So each dollar you spend for Quaker Oats saves an average of \$3. Oats stand supreme among grain foods, in nutrition and in flavor. They form a complete food, supplying every need. As an energy food their fame is proverbial.

Make this the chief breakfast dish. Meat and eggs cost five and six times as much. Also use Quaker Oats in bread and muffins, pancakes and cookies. No other food is so economical.

Use Quaker Oats because of the matchless flavor. It is made of queen grains only—just the big, plump, luscious oats. We get but 10 pounds from a bushel. Yet it costs you no extra price.
